Programming Fundamentals	

Projects

Bootstrap	CSS	Coffee Shop
HTML	CSS	Youtube Simple Demo
Bootstrap	CSS	Tech Academy
Pure HTML CSS		Zakir Ali
Bootstrap	CSS	Home Management
Pure HTML CSS		Cloth Company

About Me

I am a dedicated BS Software Engineering student with a strong foundation in software development, data structures, and algorithms. Passionate about technology and problem-solving, I am eager to apply my skills in real-world projects and contribute to innovative solutions. My academic background and hands-on experience have equipped me with the technical expertise and analytical mindset needed for success in the tech industry.

Experience

HTML CSS

I have hands-on experience in building responsive and user-friendly websites using HTML and CSS. I am proficient in structuring content with HTML5 and creating visually appealing layouts with CSS3. My projects include designing and developing websites with clean, well-organized code, ensuring cross-browser compatibility and mobile responsiveness. I also have experience in using CSS frameworks like Bootstrap to streamline design and enhance functionality.

Bootstrape

I have practical experience in using Bootstrap, a popular CSS framework, to create responsive and mobile-first websites. With Bootstrap, I efficiently design and develop web pages by utilizing its grid system, pre-built components, and utilities. This allows me to streamline the development process while ensuring consistent, modern designs. I have applied Bootstrap to enhance website functionality, ensuring seamless navigation and a polished user experience across different devices and screen sizes.

Education

Govt College university Faisalabad
2024 - 2028
Bachelor of Software Engineering

Science College Quetta
2021 - 2023
FSC Pre-Engineering
